

150 Best New House Ideas (150 Best House Ideas)

From expansive mansions to summer cottages, from ultra modern to environmentally friendly green homes, 150 Best New House Ideas is a comprehensive handbook showcasing the best new ideas in single-family home design. Featuring an extensive collection of full-color photographs, this book provides an in-depth review of exemplary house designs created by internationally renowned architects and designers who have achieved practical, innovative, and stunning solutions adapted to the specific needs and tastes of their clients. An essential design reference, 150 Best New House covers the diversity of current trends in home design and provides an inspirational source of ideas for the homeowner, designer, interior decorator, and architect.
