

## 200 Small House Plans: Innovative Plans for Sensible Lifestyles (Blue Ribbon Designer Series)

Here's a bold new collection proving that good things continue to come in small packages! In less than 2,500 square feet, each plan works hard to create a sense of place with a measure of imagination-whatever your family's lifestyle. Section headings suggest pattern of life. You'll find plans for versatile starter homes, chic homes for moving up, distinctive homes for couples, choice homes for growing families, affordable estate design, smart empty-nester ideas and hardworking vacation homes. Fully one third of the designers are new to this edition.

Complete construction blueprints are available separately.
