

Leonardo - 2012 (Taschen Weekly Tear-off Calendars)

A la pointe du jour les ennemis ont débarqué à l'Anse des Morts, le factionnaire ayant entendu nager a crié qui vive ; on a répondu en bon français provisions et on a pris cela pour argent comptant d'autant qu'il devait passer des bateaux chargés de vivres et l'ordre ayant été donné pour ne pas tirer dessus. Les ennemis ont débarqué aussitôt au nombre de 1,500 à 1,800 hommes... Sur les 8 ou 9 heures M. de Montcalm ayant été averti y est accouru avec quelques troupes de terre et de la marine et s'est allé poster au-dessus de la Porte St. Louis ayant disposé son monde de façon à en imposer aux ennemis en attendant le reste des troupes et canadiens, les ennemis se sont aussi arrêtés ne doutant pas qu'il allait leur livrer bataille... Revivez 250 ans plus tard l'un des moments les plus importants de notre histoire : le siège de Québec en 1759. Jour et nuit les incendies font rage, mais Québec tient bon. Pris dans le feu de l'action, nous courons avec les habitants pour éteindre les feux. Quelles sont les nouvelles? Alors que Montcalm pétine à Beauport et que Wolfe hésite encore et encore, les gens de Québec se distinguent par leur hardiesse. Même les séminaristes s'y mettent! Les initiatives nabouissent pas toujours, mais elles témoignent de l'audace des Canadiens, engagés avec les Amérindiens dans un ultime sursaut pour sauver leur pays. La réédition de ce journal anonyme nous replonge avec émotion dans le fracas des bombes qui sabattent sur la capitale de la Nouvelle-France. Plus que le détail des manœuvres militaires, nous suivons au jour le jour le comportement d'une vaillante population résolue à tenir tête à l'ennemi. C'est de l'intérieur que nous vivons cette bataille, comme nous suivrions un reportage télévisé. Plus de 400 notes permettent au lecteur de mieux connaître chacun des acteurs du siège.
