

2015 Standard Catalog of World Coins 2001-Date

Twenty-first Century Wonders Creativity abounds in the modern collectible coin market. The Standard Catalog of World Coins, 2001-Date, 9th Edition, brings this inspiration and inventiveness from today's World Mints, Central Banks and their distributors to light in the finest such resource on the market. Working with a team of 100 experts worldwide, the editors at Krause Publications produce an exhaustingly thorough and complete catalog rich with new issue coinage and value revisions reflecting this fast-paced and exciting market. The market is witnessing strong prices for more low-mintage modern commemoratives. Special packaging, remarkable construction and broadly popular themes are bringing 21st Century commemoratives to a wider collecting population, while smaller mintages are ensuring stronger long term support for higher values. Inside you will find: * Current market valuations * Universally accepted KM identification numbers * Detailed descriptions and updated mintages * Thousands of new listings * For the first time numeric grades for all types * The addition of PF63 and PF65 grades Making sense of the 21 Century one coin at a time.
