

## 2013 Alphonse Mucha Wall Calendar

Featuring some of the best known works from leading Czech artist of Art Nouveau, Alphonse Mucha, this wall calendar for 2013 will be sure to please even the most exacting critics. Though his style was widely considered to be outdated during the fin-de-siècle, it experienced a great revival during the 1960s and would make the ideal gift for those who appreciate Mucha's style and unmistakable subjects: strong young women wrapped in flowing robes and lush garlands of flowers.
