

Catcalendar

Ever since they sauntered into the public eye sporting stylish high-top sneakers, Kliban's cats have continued to carve their marks on the scratching post of posterity. Inspired by the antics of his own four felines, B. Hap Kliban (1935-1990) began drawing cat cartoons in the early 1970s and soon developed a legion of fans. Today his striped scamps continue to elicit smiles. Whether they're skating, swimming, or serenading you by moonlight, Cat and company will keep you purring throughout 2011. Size: 12 x 13 in.; opens to 12 x 26 in. Printed on FSC certified paper with soy-based ink.
