

How to be Free and Happy

How to be Free and Happy ? This address to youth by Bertrand Russell shows us the best of Socialist thought in the early 20th century. Whether Socialist thought continued in the right direction is another path altogether.... Here are two short excerpts ? The gist of the matter is to be rid of fear. Fear lies very deep in the heart of man; fear has been the source of most religions; fear has been the source of most moral codes; fear is our instincts; fear is encouraged in our youth, and fear is at the bottom of all that is bad in the world. When once you are rid of fear you have the freedom of the universe. ? I dont know why everybody is allowed to say a host of things in private that he is not allowed to say in public. I think it is about time we said the same things in public that we say in private. ? This eBook edition of the 1924 original speech transcript has been carefully edited for scanning and spelling errors, and is as true to the original as possible. Those who complain that OCR creates errors simply have not taken the time to read and edit every word as we have. [EDB Pubs]
