

# A Case Managers Study Guide: Preparing for Certification

A Case Managers Study Guide: Preparing for Certification, Fourth Edition is the perfect study guide for new case managers preparing to take the Certified Case Manager (CCM) exam and practicing case managers who are recertifying. Based on the Commission for Case Manager Certification (CCMC) six knowledge domains and eight essential activities, it addresses new changes passed and legislative updates resulting in significant changes in healthcare and case management. New topics include patient-centered care, readiness to change, evidence-based case management, and management outcomes. Completely updated and revised, A Case Managers Study Guide: Preparing for Certification, Fourth Edition contains nearly 700 questions and comprehensive answer rationales. Included with the book is an online Access Code for Navigate TestPrep, a dynamic and fully hosted online assessment tool designed to help nurses prepare for certification examinations by offering case-based questions, detailed rationales, and robust reporting. Navigate TestPrep: A Case Managers Study Guide also sold separately. \* Randomized questions create new exams on each attempt \* Monitors results on practice examinations with score tracking and time on each task \* Reporting tools evaluate progress and results on each attempt Dont forget to visit our nursing certification website:
