

A Daughters Legacy (Love Inspired)

To receive her inheritance and make peace with her late mother, Kelli Jackson must abide by the woman's will. Even though it means working as a zookeeper for six months with animals that terrify her. How can she possibly explain her fears and her past to her handsome boss, Jason Andover? The glimpses of kindness and painful secrets she sees in his eyes slowly have her sharing everything. But then she makes a startling discovery one that may tear them apart forever. Unless she can return the gift of love he's given her.
