

Small-Town Secrets (The Colby Agency Book 32)

Mission: Close a 16-year-old cold case: three teenage girls slain in a small Midwest town. Client: Dana Hall, twin sister of one of the victims. Troubled, amnesiac, alienated from family, suffering from horrific nightmares about the killers identity. Investigator: William Spence Spencer. Thirty-six. Bachelor. Top-notch skills, on the job 24/7. Shows exceptional sensitivity to clients needs. Comments: Significant danger. Escalating threats against Danas presence in town. Spence believes Dana is hiding something relevant to investigation. Possibility he may be hiding something himself. Has his strong, naturally protective nature compromised his professionalism? Theres always a first time.
