

Cozy Mysteries: Death at the Craft Fair (Whistlers Cove Cozy Mystery Series Book 4)

Its time for the annual arts and crafts fair at Whistlers Cove, and tensions are running high between competitors for the prestigious painting prize. But when last years winner, Victoria Clark, is murdered just hours before the competition is due to take place, it falls to amateur sleuth Misty Williams to work out whos responsible. Was the murderer Victorias main rival for the prize, Barbara Barnes, or was it Victorias daughter Katie- whod grown tired of waiting for her inheritance? Or could it be the jealous wife of Victorias devoted admirer, Phil Maxwell? On top of trying to figure it all out, Misty Williams also has to contend with saving her romantic relationship, helping with her friends career, and running her own very popular teahouse. Death at the Craft Fair can be read as a stand alone story, or as part of the Whistlers Cove mystery series- so come on in and enjoy the carnival atmosphere, with regular characters Martha Johnstone, Elsie Glover and that adorable teahouse cat, Miss Mabel.
