

The Classic Collection: Heritage Hotels & Luxury Lodgings from East and West

World-renowned YTL Hotels classic collection of hotels and lodgings exemplifies the very best of bespoke hospitality from Europe to Southeast Asia and China. Its unique sense of place and historical significance celebrates the essence of style. This book seeks to showcase the companys commitment to its heritage properties in a meaningful and creative manner. Explore the streets of two UNESCO World Heritage sites - Malaysias historic Malacca (Melaka) and the UKs Bath Spa - from The Majestic Malacca and the newly-opened The Gainsborough Bath Spa; stroll the bund in Shanghai from The Swatch Art Peace Hotel; enjoy the glamour of The Majestic Hotel Kuala Lumpur once more at the heart of the citys old colonial area; or if rural pursuits are on your agenda we offer a sojourn at Cameron Highlands Resort, resplendent in the cool climes of Malaysias tea plantations, or three quaint cottages in the quintessential English country village of Bray-upon-Thames in the county of Royal Berkshire. Each of these properties has been selected for its locale, history and architecture in much the same way as a curator presents an exhibition. Courteous personal service is a company hallmark with guidance from a concierge service, private butler or guest relations officer at each location. With minute attention to detail, informative texts and full-colour photography, The Classic Collection launches a thousand itineraries from East to West.
