

Book Alone: Adult Nurse Practitioner Certification Review Guide

Developed especially for practicing nurses preparing for the certification examination offered by the American Nurses Credentialing Center (ANCC), *Adult Nurse Practitioner Review, Fifth Edition* provides a succinct, yet comprehensive review of the core material. Intended to serve as an introduction to the testing arena, it has been organized to provide test taking strategies, techniques, and sample test questions. Also included is a bibliography for those who need a more in depth discussion of the subject matter in each chapter. This new edition contains new information in the content section regarding updated guidelines. Additionally, new questions reflect these updates. Included with the print book is an online access code for JB TestPrep, our online interactive testing program, to help pass the exam. This online program includes all of books questions and answers, practice exams providing feedback, and final exams to help prepare readers for the exam. JB TestPrep: *Adult Nurse Practitioner Review* also sold separately. Don't forget to visit our new nursing certification website: www.NursingCertificationSuccess.com
