

## Alcoholics Anonymous Deluxe Edition

A 75th anniversary keepsake volume of the most important and practical self-help book ever written, Alcoholics Anonymous. Here is a special deluxe edition of a book that has changed millions of lives and launched the modern recovery movement: Alcoholics Anonymous. Shrink-wrapped in a vegan-leather hardback casing with a ribbon marker, acid-free paper, stained page edges, and slipped into an O-card reminiscent of the book's original 1939 jacket design, this volume is a lifetime keepsake. This edition not only reproduces the original 1939 text of Alcoholics Anonymous, but as a special bonus features the complete 1941 Saturday Evening Post article "Alcoholics Anonymous" by journalist Jack Alexander, which, at the time, did as much as the book itself to introduce millions of seekers to AA's program. Alcoholics Anonymous has touched and transformed myriad lives, and finally appears in a volume that honors its posterity and impact.
