

With Just One Kiss (Grayson Friends)

ITS NEVER TOO LATE Cicely St. John is not impressed by her friend C.J. Callahans so-called passion in life: running a New York City bar that he inherited from his uncle. So why cant Cicely stop thinking about the dance they shared at their mutual friends wedding-or the mutual attraction she felt in C.J.s arms? TO GIVE LOVE A CHANCE As far as C.J. is concerned, Cicely is a snob whose passion in life-writing for fashion magazines-is as pretentious as she is. So why cant he keep his eyes off her? C.J. has a business to run. And Cicely has a job opportunity in Paris. Neither of them even has time to think about romance right now. But maybe, just once, the two could test their friendship...with just one kiss.
