

Angels without Wings: The Path to Sacrifice

For Troy Decker, the world of angels has always been a familiar mystery. Robes, halos, and wings have filled his dreams since he was old enough to crawl. But it wasn't until the last year that he truly felt like he was one of God's chosen angels. He'd thought only a miracle would allow him to receive his scepter. And he was one hundred percent correct. When God granted Troy his scepter, he never dreamed it would be for saving one of his closest friends. But with many things in his angel life, Troy had to sit back and trust in his faith. Not only in God, but in himself and his family and friends. Unfortunately, peace rarely finds Troy. With his first gift from God in hand, he must concentrate on the second gift; the robes of an angel - granted for an act of sacrifice. Hindering his progress is a former friend of his parents, Kyle Downey. Kyle is the leader of a group of fallen angels and his sinister plans for Troy bring howling demons and monsters stampeding into the War for Sins. Can Troy follow the path God has set in front of him? How will he know what to sacrifice to receive the precious gift? And why, more than anything else in the world, does Kyle Downey want Troy to fall?
