

Angel in the Badlands: JitSuku Chronicles (Sons of Amber) (Volume 1)

Is she an apparition or is she real? Crash landing on an uncharted planet, Ezekiel Amber sets out across a desert, looking for help. What he finds is salvation in the form of a woman. Angela finds the handsome, unconscious man and takes him below ground, where the heat of the desert does not reach. She nurses him back to health, trying hard to ignore the attraction between them. Angels small community must be protected from humanity's alien enemies. Likewise, Zeke must protect Angela - his angel - the one woman he wants like no other in the universe. It's a race to see who will get there first - Zeke's reinforcements or the aliens - and the fate of the human race could hang in the balance
