

Femme Fatale (Jack Londons Short Stories, Vol. I) (Bridge Bilingual Classics) (English-Chinese Bilingual Edition) (Chinese Edition)

This is Volume I of Jack Londons Collective Short Stories, including To Kill a Man and Under the Deck Awnings. To Kill a Man creates a classic femme fatale Mrs. Setliffe. High-bred and gracefully beautiful as she is, Miss Setliffe is internally vile and malicious. Overriding other peoples trust and lives, Mrs. Setliffe places herself at the center of the world. Under the Deck Awnings tells a story taking place on a boat, where the heroine Miss Caruthers, a beautiful young lady, fascinates all the males on it. However, she later horrifies others as she throws a sovereign into the sea and tempts a native boy to dive into the shark-infested bay in Colombo, where the boy is cut squarely in half by the shark. The narrator of the story recalls that Miss Caruthers, though amazingly charming, is truly a female who is worse than a pig.
