

Iconic Design Hotels (Architectural Design)

Never before has it been more important for hotel operators and designers to understand the concept of what makes for a comfortable stay. Hotels of today have to cater to ever-increasing numbers of travel-savvy customers that emanate from all corners of the globe. These are customers with a wide range of demands and expectations, particularly in relation to the level of comfort they seek. Iconic Design Hotels is packed with innovative designs that are guaranteed to redefine the concept of what a hotel should be. Concepts range from the Plush and lush to minimalist and they are presented in a way that illuminates the design perspective as well as the criteria used for gauging the comfort of customers. Thorough documentation is provided in the form of floor plans, the architects personal sketches and notes, and gorgeous, full-color photographs.
