

Badminton Revisited: An Anecdotal History

Julian Seaman first went to Badminton as an autograph-hunting fan in the 1960s. He later decided to become a competitor. In his first year, his horse became lame. Year two, he completed the dressage in a rainstorm in a coat made in his tailoring class at college. Third time he fell. Indeed, he fell off several times on national TV and achieved immortality as the What happened next? feature on BBCs A Question of Sport.
