

Achieve PMP Exam Success PMBOK Guide -- 3rd Edition

Achieve PMP Exam Success PMBOK Guide 3rd Edition is the newest edition of the very successful Achieve PMP Exam Success series of PMP exam prep guides and is fully aligned with the PMBOK Guide - 3rd Edition. This easy-to-follow study guide which includes a CD-ROM with nearly 1000 practice exam questions provides the busy project manager or student with a brief, yet comprehensive self-study program for successfully passing the PMP or CAPM exam on the first attempt. Used in conjunction with PMI's Project Management Body of Knowledge (PMBOK®) Guide, it presents all the fundamental knowledge, concepts, exercises and practice exam questions an aspiring project manager will need. Study time is made more efficient by its organization, which closely follows the PMBOK Guide. It even incorporates key topics and concepts from the multiple PMI recommended readings, further reducing study time and eliminating the need for additional resources. It is a MUST for any aspiring PMP or project personnel.

Key Features:

- Fully aligned with the PMBOK Guide - 3rd Edition
- Provides a CD-ROM with nearly 1000 practice exam questions which can simulate the full PMP exam and/or can be grouped into specific smaller knowledge area practice tests
- Follows the PMBOK Guide closer than any other guide on the market and has a proven track record of results
- Covers additional material, concepts, and techniques that go beyond the PMBOK Guide to provide the reader with a solid foundation necessary for PMP exam preparation, including comprehensive professional responsibility performance domain material
- Features exam tips and exercises throughout the text demonstrating the concepts discussed and presents key sample exam questions arranged by process group & knowledge area
- Includes pre-assessment and

post-assessment tests and answers to help evaluate your progress and readiness for the exam
