

NCLEX-RN 250 New-Format Questions: Preparing for the Revised NCLEX-RN

This brand-new review guide has 250 questions written specifically in the Alternate-Format style recently introduced into the NCLEX-RN exam. Scores of multiple-response multiple-choice questions, fill-in-the-blank items, and questions based on illustrations, charts, and diagrams serve as ideal preparation tools and confidence boosters. Organized according to the major topics covered on the exam fundamentals, medical-surgical, maternal-neonatal, pediatric, and psychiatric nursing the book features a convenient two-column format, with questions on the left and answers on the right. For every question, the text also provides rationales for correct and incorrect responses as well as the applicable nursing process step, client needs category, client needs subcategory, and cognitive level. Also includes test-taking tips.
