

Mosbys Review Cards: Medical-Surgical Nursing, 1e

MOSBYS REVIEW CARDS provide a concise portable overview of core nursing content for undergraduate course work or preparation for the NCLEX-RN examination. Each set of cards follows a consistent format, dividing content into logical, manageable sections. Each section begins with several overview cards, followed by cards summarizing specific disorders or conditions. Review questions for each section include test-taking strategies and rationales for correct and incorrect answers. Information is presented in a concise outline or list format, with key content highlighted in boldface. Mnemonic aids are included to enhance retention. A Volume in the Rollant Nursing Review Series
