

# Master The NCLEX-PN: Targeted Test Prep to Jump-Start Your Career (Master the Nclex- Pn Certification Exams)

With a review of the Practical Nursing studies content in outline form, this self-tutor guide gives students the most effective practice with the content they can expect to see on the actual exam. It also includes information about basic nursing concepts, nursing procedures, and pharmacology plus details on nursing specialties. Updated to reflect the test changes in April 2007
