

## Black: The Birth of Evil (The Circle Trilogy, Book 1)

Enter an adrenaline-laced epic where dreams and reality collide. Fleeing his assailants through deserted alleyways, Thomas Hunter narrowly escapes to the roof of a building. Then a silent bullet from the night clips his head...and his world goes black. From the blackness comes an amazing reality of another world—a world where evil is contained. A world where Thomas Hunter is in love with a beautiful woman. Then he remembers the dream of the chase as he reaches to touch the blood on his head. Where does the dream end and reality begin? Every time he falls asleep in one world, he awakes in the other—both facing catastrophic disaster. Thomas is being pushed beyond his limits...even beyond the limits of space and time. Black is an incredible story of evil and rescue, betrayal and love, pursuit and death, and a terrorists threat unlike anything the human race has ever known. Some say the world hangs in the balance of every choice we make. Now the fate of two worlds hangs in the balance of one mans choice.
