

## Bone Magic: Otherworld, Book 7

Were the DArtigo sisters: sexy, savvy operatives for the Otherworld Intelligence Agency. But being half-human, half-Fae short-circuits our talents at all the wrong times. My sister Delilah is a Were who turns into a golden tabby when shes stressed. And Menollys a vampire whos still trying to get the hang of being undead. As for me, Im Camille DArtigo, a wicked-good witch whos learning death magic with my youkai-kitsune husband. Until now, the Moon Mother has pretty much ignored me, but shes about to take me on the Hunt of my life. Another equinox is here, and life is getting more dangerous for all of us. The past is catching up to our friends Iris and Chase. Smoky - the dragon of my dreams - is forced to choose between his family and me. To top it off, theres a new demon general in town, and we cant locate her. And when the Moon Mother and the Black Beast summon me to Otherworld, I think Im just going to reunite with my long-lost soul mate, Trillian. But once there, Im forced to undergo a drastic ritual that will forever change my life and the lives of those around me.
