

## Bath Tangle

A writer of great wit and style. I've read her books to ragged shreds. ?Kate Fenton, Daily TelegraphA Delightful Tangle of Affairs.The Earl of Spensborough had always been noted for his eccentricity. Leaving a widow younger than his own daughter Serena was one thing, but leaving his fortune to the trusteeship of the Marquis of Rotherham?the one man the same daughter had jilted?was quite another. When Serena and her lovely young stepmother Fanny decide to move to Bath, Serena makes an odd new friend and discovers an old love. Before long, they're all entangled in a muddle of marriage and manners the likes of which even Regency Bath has rarely seen.
