

Poverty in the United States [2 volumes]: An Encyclopedia of History, Politics, and Policy

The first interdisciplinary reference to cover the socioeconomic and political history, the movements, and the changing face of poverty in the United States. 300 AZ entries on topics related to poverty and social welfare, including the political discovery of poverty, antipoverty policies, and debates about legislation. Includes five introductory chronological essays covering U.S. poverty since the colonial era, giving a historical foundation to the entries in the book. Contributions from over 200 distinguished scholars and experts. Numerous illustrations and primary source documents dispersed throughout the work.
