

The Key to Creation (Terra Incognita)

After long voyages, encountering hurricanes and sea monsters, Criston Vora and Saan race to Terravita, the legendary promised land. Saans quest is to find the Key to Creation, a weapon that may defeat Urabas enemies, and Criston wants vengeance against the monstrous Leviathan that ruined his life long ago. Back home, two opposing continents and religions clash for the remnants of a sacred city, unleashing their hatred in a war that could end both civilizations. Queen Anjine and Soldan-Shah Omra are driven by mutual hatred, heaping atrocity upon atrocity in an escalating conflict that only their gods can end. Meanwhile, the secretive Saedrans manipulating both sides, come ever closer to their ultimate goal: to complete the Map of All Things and bring about the return of God.
