

Kitchens and Baths (Good Ideas)

Packed with more than 700 incredible photographs, *Kitchens & Baths* provides literally hundreds of creative ideas for design and construction in two special areas of the home: kitchens and bathrooms. A part of the brand-new Good Ideas Series, a collection of guides for enhancing the home, *Kitchens & Baths* offers dozens of real-life solutions for small surface areas: adding light, color combinations, changing locations, and more. Hundreds of sketches, drawings, and plans—all real ideas from real designers—offer comprehensive solutions to a variety of difficult situations. Many of these featured designs are taken from existing kitchens and bathrooms that are brand-new or have been successfully transformed into attractive, useful, contemporary spaces. Plus, this enormous reference also includes complete contact information for each featured manufacturer and designer.
