

Kindred Spirits: World Book Day Edition 2016

Everybody likes everything these days. The whole world is a nerd. Are you mad because other people like Star Wars? Are you mad because people like me like Star Wars? Maybe. If you broke Elenas heart, Star Wars would spill out. So when she decides to queue outside her local cinema to see the new movie, shes expecting a celebration with crowds of people who love Han, Luke and Leia just as much as she does. What shes not expecting is to be last in a line of only three people; to have to pee into a collectible Star Wars soda cup behind a dumpster or to meet that unlikely someone who just might truly understand the way she feels. Kindred Spirits is an engaging short story by Rainbow Rowell, author of the bestselling Eleanor & Park, Fangirl and Carry On, and is part of a handful of selected short reads specially produced for World Book Day.
