

Wildfire In His Arms

A passionate new tale from No. 1 New York Times bestselling author Johanna Lindsey, featuring one of her most intriguing heroes: the dangerous and mysterious Degan Grant from One Heart to Win. A dangerous gunfighter. A beautiful outlaw. A thrilling pursuit. Degan Grant is heading to California, far away from the home he wants to forget, when a US Marshal calls in a favour. Degan has to apprehend three outlaws and turn them over to the law - easy enough for a man no one wants to tangle with. But one of the outlaws defies Degan's every expectation. Maxine is sassy, spirited - and insists she is innocent. And, knowing that her capture will lead to her hanging, she's determined to escape the handsome, enigmatic gunfighter. Forced into intimate proximity with his beguiling prisoner, Degan finds his desire for Maxine sparking into a wildfire of passion between them. But they will have to risk confronting their pasts if they are to have any chance of a future in each other's arms... Utterly captivating. Wonderfully entertaining. Let legendary author Johanna Lindsey capture your heart with her unforgettable romance.
