

Canadian Geographic Wicked Weather Wall Calendar 2015

When Mother Nature wants to express herself, it can be truly spectacular, and the Canadian Geographic photo community have captured several amazing examples. Produced via environmentally friendly processes, using chlorine free FSC-certified paper and vegetable-based inks, this beautifully photographed wall calendar includes an additional page featuring smaller grids of the months September, October, November and December. This wall calendar is produced in English format. Perfect for the weather buff. Each month includes interesting facts and information on different weather events. September-December 2015 overview. Observes international holidays and moon phases.
