

## Captive but Forbidden

The news that wild socialite Veronica St. Germaine has cleaned up her act and stepped into her fathers shoes as ruler of a Mediterranean principality creates a tabloid frenzy! But its not just the paparazzi that are out for blood. Duty demands that bodyguard Rajesh Vala must protect Veronica whatever the cost. But Veronica has always rebelled against commands, and she isnt making Rajs job easy! He calls it safeguarding. She calls it being held captive at his beach house. Both realize that the attraction between them is inconvenient. Veronica is forbidden, not for bedding!
