

PARENTS DESERVE A BRAKE: Teaching Tips For Working With Teen Drivers/Graduated Driver License Students (Consolidated Driving Programs Book 1)

A comprehensive training manual for coaching teen drivers. Teaching Tips For Parents Working With GDL (Graduated Driver License) Students A behind-the-wheel manual for parents who want to help their son/daughter become a safer driver. A complete, easy to understand driver education manual for parents who must supervise their beginning drivers behind-the-wheel experiences for a period of time as determined by state law (Graduated Driver License). This practical, user-friendly handbook outlines teaching techniques and useful tips used by professional driver education instructors. Its designed for parents/adults who want to teach correct and safe driving techniques to their child, or reinforce the driver competencies taught during school-based or commercial driver education courses. Parents Deserve a Brake! contains detailed and effective teaching strategies that really work, while using a common sense approach to which parents can relate. Designed by driver education teachers who know what its like to teach a young person to drive!
