

Catwoman (2002-2010) #2

The Feline Fatales new series continues! Catwoman investigates a string of serial murders down in the slums, leading her into the heart of the Gotham Police Department and an encounter with a face from her past (which should be quite familiar to longtime Catwoman fans). Catwoman may have overcome her recent struggles, but is she really ready for what's waiting for her in the dank streets of Gotham?
