

## Celias House

There's no place like home. Celia Dunne may be an old spinster, but she's no fool. She knows that changing her will to leave the grand family estate, Dunnian, to her grand-nephew will ruffle feathers within the family. But Celia also knows that Dunnian has stood solemn and empty for far too long, and she intends for that to change after she's gone. Humphreys children will turn the creaky old house back into a family home—just the way it was meant to be. As Humphreys young family grows and expands within the walls of Dunnian, the house seems to welcome them with warmth and a wonderful feeling of belonging. Following the Dunnes through youthful antics, merry parties, heartbreaks, love, and marriages, *Celias House* is an enchanting family novel that begs to be read and savored over and over again. *Celias House* is another heartwarming tale from D.E. Stevenson, beloved author of *Miss Buncles*. Book readers love D.E. Stevenson: Finding a re-issued D.E. Stevenson novel is like finding a Tiffany lamp at Woolworths.
