

CTS-I Certified Technology Specialist-Installation Exam Guide

The Most Complete CTS-I Exam Study System Published with InfoComm International, CTS-I Certified Technology Specialist-Installation Exam Guide provides comprehensive coverage of all exam objectives on the leading internationally recognized certification for audiovisual installation professionals. Each chapter features learning objectives, best practices, diagrams, photos, and chapter review questions with in-depth explanations. Designed to help you prepare for the CTS-I exam, this authoritative resource also serves as an essential on-the-job reference. Covers all CTS-I exam objectives, including how to:

- Manage an AV project
- Interpret audiovisual documentation
- Conduct pre-installation activities
- Route, pull, and terminate cable
- Mount AV equipment
- Build and wire racks
- Install audio systems
- Install video systems
- Verify systems
- Work with networks
- Perform system closeout

Electronic content includes: Official CTS-I practice exam Links to a library of installation and AV math videos
