

Soccer around the World: A Cultural Guide to the Worlds Favorite Sport

Two leading sports authorities explore the culture of soccer around the world, considering the sport as a means to better understand a society's past, present, and future. Includes both men's and women's soccer. Features lists of winners of World Cups, regional confederations cups, and Olympic Games. Provides sidebars of interesting facts and photos to supplement the text. Offers a multi-disciplinary perspective from across geography, social studies, world cultures, and anthropology.
