

A Sisters Wish: The Charmed Amish Life, Book Three

New York Times Best-Selling Author In Shelley Shepard Grays third book in her Charmed Amish Life series, a respectable young woman finds herself falling for an Amish man from the wrong side of the tracks. Amelia Kinsinger is the perfect Amish woman - at least according to her neighbors. And while Amelia takes pride in her role as homemaker, shes also harboring a secret: Shes been in love with bad boy Simon Hochstetler for as long as she can remember. Too bad hes about as far from perfect as an Amish man can get...but thats exactly why shes so drawn to him. Life hasnt been kind to Simon. He ran away from an abusive home at 15, and things went downhill from there. Eventually Simon landed in prison. But the experience changed him. Now back in Charm as a grown man, hes determined to make a new life for himself and not think too much about his wild past...unless it pertains to Amelia. Hes loved Amelia for years. To him, she represents everything good and kind in the world. When he realizes that she returns his affections, he starts calling on her in secret, even though her older brother, Lukas - who just happens to be Simons best friend - has made it perfectly clear that Amelia deserves better. Simon disagrees and believes hes the only one who can truly make her happy. But when Amelia gets hurt, it sets off a chain of events that forces them to consider their future together - and face their past mistakes. Theres a chance for love...but only if Simon dares to trust Amelia with the secrets of his past.
