

## Try a Little Tenderness

Jenny and Laura Nightingale are as different as chalk and cheese. Jennys pretty face and lively sense of humour make her everyones favourite girl, whereas Laura is mean and moody and shes never out of trouble. Their mother, Mary, loves them both and frets about Lauras behaviour, but soon thats the least of her worries...Her fathers new young wife, Celia, is about to bring shame on the family by leading Laura astray. Jenny attracts the attention of two young lads in her street who both want to court her. Mick and John have been mates since they were kids but now war is declared, and its every man for himself! Meanwhile Lauras resentment begins to build and its only a matter of time before things come to a head. Who will learn that a little tenderness goes a long way?
