

Claimed: An Urban Fantasy Novel (The Thrice Cursed Mage Book 5)

My name is Mac Brennan, and before I woke up with a black as pitch arm covered in demonic tattoos I didnt remember getting, I fell in love with a girl who was brutally gunned down by a warlord and left to die a desert. Or so I thought. Turns out, she made a deal with a demon to save her life. Guess we werent so different after all.

Her deal is simple. If she wants to live, she must destroy everything I hold dear. Well, if its destruction she wants, its destruction shell get.
