

CLEP Five Favorites

What are CLEP tests? CLEP is a popular method of obtaining college credit by examination. When you wish to obtain three college credits or 75% of your college credits by examination, CLEP provides a pathway to bringing down the cost of colleges. You have thirty three tests to choose from. They are accepted at 2,900 colleges but each state and school has individual policies. Product description XAMonline, your CLEP Specialist, offers CLEP Five Favorites which captures the five most popular CLEP tests taken by over half of the CLEP test takers according to Nielson sales data. Discover full length tests available as eBooks or print books. Each sample test goes through a process so that standards are covered and weighted and the end result is that you get the true to format and true to test experience. Each test has not only an answer key but also a detailed explanation. These are two advantages over the College Board products which are neither full length or have explanations. The following are included in the CLEP Five Favorites sampler: 1. CLEP College Math (full study guide is available under ISBN 9781607875321) 2.
