

Whose Body?: The Lord Peter Wimsey Mysteries, Book 1

Enter the 1920s Golden Age of Detection with this first novel from Dorothy L. Sayers, featuring the debut of a dashing gentleman detective, one of the great characters of mystery fiction - Lord Peter Wimsey. An unidentified corpse is found in a bathtub, and the police are jumping to conclusions about its identity and that of the murderer. Lord Peter Wimsey steps in and, with the help of his friend, Inspector Parker; and his manservant, Bunter, solves the mystery.
