

Country Living

More and more people are choosing to escape from the bustle of city life and retreat to the countryside: dilapidated farmhouses are being restored and old country houses are being returned to their former glory. This book contains around twenty photographic reports featuring all aspects of country living: from the restoration of the house and the selection of materials to the interior design and the landscaping of the garden. Also available Country Houses ISBN 10: 907721321X ISBN 13: 9789077213216 %55.00 Out of Town: The Country House ISBN 10: 1864701501 ISBN 13: 9781864701500 %25.00
