

## Crazy Horse,: The Strange Man of the Oglalas

Crazy Horse, the military leader of the Oglala Sioux whose personal power and social nonconformity set him off as strange, fought in many famous battles, including the one at the Little Bighorn. He held out boldly against the governments efforts to confine the Sioux on reservations. Finally, in the spring of 1877 he surrendered, one of the last important chiefs to do so, only to meet a violent death. Mari Sandoz, the noted author of *Cheyenne Autumn* and *Old Jules*, both available as Bison Books, has captured the spirit of Crazy Horse with a strength and nobility befitting his heroism.
