

# Creating a Life Together: Practical Tools to Grow Ecovillages and Intentional Communities

Creating a Life Together is the only resource available that provides step-by-step practical information distilled from numerous firsthand sources on how to establish an intentional community. It deals in depth with structural, interpersonal and leadership issues, decision-making methods, vision statements, and the development of a legal structure, as well as profiling well-established model communities. This exhaustive guide includes excellent sample documents among its wealth of resources. Diana Leafe Christian is the editor of Communities magazine and has contributed to Body & Soul, Yoga Journal, and Shamans Drum, among others. She is a popular public speaker and workshop leader on forming intentional communities, and has been interviewed about the subject on NPR. She is a member of an intentional community in North Carolina.
