

CSET English Subtests I-IV Book + Online (CSET Teacher Certification Test Prep)

REAs CSET: English Subtests I-IV with Online Tests Gets You Certified and in the Classroom! California requires all prospective English teachers to take the CSET: English Test. Recently, the CSET: English subtests were revised to align more closely with the California Common Core State Standards. The subtests also include new material in the areas of writing across the curriculum, reading and analyzing a variety of informational texts, and analyzing the details of dramatic works and performance. This third edition of our CSET (California Subject Examinations for Teachers) English Subtests I-IV test prep has been expanded to address these changes. It includes:

- * A complete overview of the four CSET: English subtests
- * A comprehensive review of every domain, with updated material
- * Two full-length practice tests for each subtest (in the book and online), with online diagnostic tools to help you personalize your study

Our book is perfect for teacher education students and career-changing professionals who are looking to teach English in California. The skills required for all four subtests fulfill the objectives set by the California Common Core State Standards for English Language Arts and Literacy and the California Commission on Teacher Credentialing. This all-new test prep contains an in-depth review of all the competencies tested on the CSET English Subtests I-IV: Literature and Reading Informational Texts; Composition and Rhetoric; Language, Linguistics, and Literacy; Communication, Speech, Media and Creative Performance. The book includes 2 full-length practice exams based on actual CSET questions. Both practice tests are also available online with instant scoring, diagnostic feedback, and detailed answer explanations. Automatic scoring and instant reports help you zero in on the topics and types of questions that give you trouble now, so you will succeed when it

counts. REAs CSET: English Subtests I-IV test prep is a must-have for anyone who wants to teach English in California!
