

CUENTOS DE ANDERSEN (Spanish Edition)

Pulgarcilla, La caja de yesca, La pequeña vendedora de fosforos y Los zapatitos rojos son los cuentos que integran este volumen. Se trata de cuatro hermosos y conmovedores relatos del gran autor danés que escribió nada menos que 168 narraciones inspiradas especialmente en las tradiciones de Dinamarca. En cada una de estas historias, la fantasía y el realismo se mezclan con tanta naturalidad y habilidad, que el lector se incorpora sin esfuerzo alguno al mundo de Andersen.
