

Secrets and Curves

Dumped by another boyfriend, BBW Sophie Green decides its time to make some changes in her life. Since her relationships have left her sexually frustrated, she concludes her horrible encounters with men have everything to do with her weight and how she looks. Deciding she will eventually have to settle for whatever man will take her, Sophie decides she wants to have one weekend of uninhibited sex before than happens. To make that happen Sophie turns to roommate and long time friend Logan Rutledge for help. Logans had a thing for Sophie for years, but a hands off promise to her brother caused him to steer clear. Until now. The mere thought of another man touching all those sexy curves has Logan putting not only his friendship, but his heart, on the line to help her. He knows he can never be the husband/father figure shes looking for, but if its no-holds barred sex she wants then hes her man. Agreeing to keep their tryst from her brother, Logan whisks Sophie away for a romantic weekend at the beach. Recruiting their friend Reese, Logan introduces Sophie to a hedonistic new world, complete with silk scarves for bondage and fruit as foreplay. When an accident threatens Sophies life, Logan realizes how much he wants their relationship to be more than one clandestine encounter. Keeping their secret from her brother is one thing, convincing Sophie hes Mr. Right is another. Authors Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Anal play/intercourse, bondage, domination, menage (m/f/m), spanking.
